*Life Group Study – October 15&16/2011*

---

## Getting Started

- When have you experienced poor customer service and how did you react?
- Have you ever met a humble person who has truly inspired you to be a better person?

## Finding Truth

- Read Luke 7:1-10
  - What sort of things do people hear about Jesus today (v3)?
  - What are the things we most often ask God for? Are they for ourselves or for others?
  - Why do you think the centurion felt unworthy for Jesus to visit his home?
  - How is faith expressed in your prayer life?

## Going Deeper

- Read Luke 4:16-21. Who does Jesus say that he is?
- Read Matthew 20:25-27. What lesson does Jesus teach about humility?
- Read Luke 18:1-8. How persistent are you in prayer?
- Hebrews 11:1-3. What is faith?
- Read Hebrews 11:32-40. How do you understand faith when God says 'no'?

## So What?

- When was the last time you used your influence for the good of others rather than yourself?
- How is faith demonstrated in your life when God leads you along a difficult journey?
- What simple step could you embrace that would help you be a better follower of Jesus?

## Taking it Home *(A faith @ home conversation focus)*

- Have a conversation with your family or friend about choosing to do something to serve another person and then do it.
- What do you want Jesus to do for you? Commit to praying for it every day.
