God's second temple wasn't as awe-inspiring as Solomon's temple, but its majesty was renowned. Build your own temple using graham crackers and icing. You'll need a small piece of poster board, a couple of boxes of graham crackers, icing, and candy to decorate it. Begin by setting up the foundation by smearing a lot of frosting on the poster board. Set several crackers in it as walls. Keep adding walls with a good amount of frosting on the bottom until you've finished your base. Now start building up. Look online for artists' renderings of the second temple or have fun making up your own design. Remember to use plenty of icing as glue to hold everything together. Once you're finished building the structure, let it dry before decorating the outside with more frosting and candy. You can add food coloring to the frosting to create different colors. Use your favorite candy to decorate the temple and remind yourself of the great worth of God's house.

As you build the temple, talk about your church.

- What is your favorite part of your church?
- What's the most memorable thing you've learned about God in the last month?
- Is there somebody at church that you should send a special thank-you note to? If so, do it.

Go online and watch the video “Rebuilding the Temple in Jerusalem” at: www.tangle.com/view_video.php?viewkey=74732766a0fo03bcba62.

It’s about 13 minutes long and quotes some passages from Ezra from this week’s chapter of The Story. Take special note of the evidence of God’s second temple that was destroyed by the Romans in A.D. 70. By digging through the Holy Land, it becomes very apparent that the Bible is more than just a story—it’s God’s truth.

- The first people to move back to Jerusalem to rebuild the temple became frustrated at its progress and concentrated on building houses for themselves instead. The prophet Haggai told them if they served God first by building his house, then their crops and work would be blessed. Why do you think it’s important to put God ahead of your personal needs?
- Do you believe God controls everything?
- Name some things that God controls and how that affects your life?
- God’s people pitched in their gold and silver to make God’s temple magnificent. Talk about a time when you worked together with friends to accomplish a big task. Did it work better when everyone shared?
- How does it make you feel when you give something of value to another person?
